COMPUTER ASSET RECOVERY AND RECYCLING

Newport Computer Services specializes in the responsible disposal and recycling of used and obsolete computers and electronic equipment. The company utilizes Asset-level tracking and reporting as well as Newport's own proprietary software to ensure our customers of start-to-finish transparency and detailed information regarding their equipment.

Newport Computers Service Package Includes:

- > Pick/Pack and Freight Logistics Services
- > Onsite Data Wipe, compliant with DoD 5220-22.M; NIST 800-88
- > Audit, Test and Customized Reporting
- > Refurbishing and Remarketing
- > Recycling and Disposition

Defective and obsolete items are disposed of in an environmentally responsible way – never dumped in landfills.

SYSTEMS AND SPARE PARTS

Newport is your source for the computer parts and peripherals you need.

With over 50,000 items, Newport's inventory has major brands including Compaq, Dell, HP, IBM, Lenovo, Intel and Gateway, with whole systems and parts for everything from desktops to servers. Newport's sales team is ready to help you – whether you're in a service company with an immediate need for one part, or a dealer looking for a large quantity of servers, systems or notebooks.

Newport Computers Remarketing Services Provide:

- > Refurbishing and Remarketing
- > Software Imaging
(Microsoft Registered Refurbisher)
- > Diagnostic Testing and Parts Harvesting
- > Inventorying and Reselling

OUR RESPONSIBILITIES

Newport Computer Services is committed to unparalleled customer service. We strive to serve you with honesty and integrity, while ensuring you receive maximum value. There will always be someone available to assist with your needs. We're here because of you.

Our commitment to you is rivaled only by our commitment to our planet.

Each year our customers (and the millions of people who share our environment) trust us to act responsibly with the millions of pounds of e-waste they bring to us. We don't just talk about responsibility, we live it.

Newport is ISO 9001, 14001 and OHSAS 18001 certified and we carry ten million dollars in pollution liability insurance (among the highest in the industry). We're proud to be one of a few companies in the world to have received e-Stewards Certification, an indicator of our high standards when it comes to protecting the environment.

www.newportcomputers.com

Newport Computer Services operates around a central theme:

HONESTY. INTEGRITY. VALUE.

It's our corporate philosophy and our driving force.

The truth is, it's who we are.

Each day the trained professionals at Newport make the successful completion of your job their number one priority. Strict hiring guidelines ensure that each team member is qualified and ready to meet your needs. We're here to make sure you are satisfied. It's really true – our people are what make us great!
